LETTER OF SUPPORT

Dear Madam/Sir,

ZAPRAF is the Association for protection, collection and distribution of phonogram producers' rights, operating in the Republic of Croatia.

Our organization has a long business experience in managing phonogram producers' rights, and we know how important it is to establish a reliable system and the effective organization that will protect phonogram producers rights in a right way, especially collect and distribute the fees from the usage of phonograms.

Having that in mind, we would like to strongly support the Macedonian Music Industry (MMI) in the procedure of granting a new license.

We hope that this letter of support will be fully considered by the Ministry of Culture.

Sincerely yours

Maja Vidmar
Managing Director
